Work Starts on Industrial Complex

Practice Alert Marks Advances In Warning Net

Antioch's civil defense system was given a full-blown workout yesterday as the village joined in with nation-wide National Civil Defense program exercises.

The practice alert began at 10 a.m. with long blasts from the Antioch Rescue Squad siren, as an initial warning, followed by a wait of a few minutes, after which a warbling sound of the siren signalled "take cover."

The alert was under the direction of John L. Horan, local civil defense director.

Yesterday's action marked the 19th anniversary of Pearl Harbor, Dec. 7, and was a significant milestone in American preparedness, according to Civil Defense authorities.

In 1941, this nation's air attack warning system consisted of five mobile radar sets with a limit of detection extending about 130 miles. No air attack plan was in operation; liaison between civil and military authorities was nil. Warning time between alert and possible attack was approximately 50 minutes.

Today, the entire continent is ringed by thousands of miles of radar and continuous air patrols which push U. S. detection around the world. All outposts are linked directly to civil defense warning units funneled to NAWAS warning points.

An approaching attack such as was signalled yesterday, would trigger a nation-wide alert from North American Defense Headquarters over an emergency broadcast system of 2,000 radio stations.

All public media would be utilized and it is estimated that the entire country could be alerted within 90 seconds.

Work Proceeds On Gas Mains

Northern Illinois Gas Company is installing mains in the Antioch area as part of its main modernization and improvement program for 1960, according to Jim Craig, NI-Gas district superintendent. Mains are also being placed in Lake Villa and Round Lake.

Craig said the work is necessary so that the utility can keep its distribution network up to date and can keep pace with the growth of the area.

The new mains are needed to meet the rapidly increasing demands in the area for natural gas for home heating and other uses, Craig said.

The work is being done for NI-Gas by the Lyman Construction Co. and Geneva Construction Co.

Craig said modern pipe installation equipment is being used, including augers which tunnel under the streets and driveways whenever possible, leaving the streets open for traffic during construction work.

The contractor's crews will restore property as quickly as sections of the work are completed, Craig assured residents of the area.

Locations for the new mains are: ANTIOCH: Along Zelinger Lane (Edgewood), from Lakewood Drive to Park Road, along Harden Street, from east of Cemetery Road to Route 21. Along Grass Lake Road, from east of Fox Lake and Antioch Road to Route 21.

LAKE VILLA: Along Petite Lake Road, from west of Grub Hill Road to Fox River Road and then south-east to Cedar Lake Avenue.

ROUND LAKE BEACH: Along Cedar Lake Road, from Clarendon Drive to South Drive. Along Cedar Lake Road, from Ferndale to Beach-view Drive.

High School Christmas Vacation Starts Dec. 21

Students of Antioch Township High School will begin a 12-day Christmas vacation starting Dec. 21, A. L. Dittman, principal, announced today. The regular school schedule will continue until 1:30 p.m. Dec. 21, and will be followed by a student council Christmas program in the gymnasium until 2:30 p.m., when students will be dismissed.

Classes will be resumed on Jan. 3, 1961.

Trustees Agreed on Disposal System; Vote Funds for Fire Department, Snow Removal

A report on village planning and suggested subdivision regulations, and agreement on sewage disposal innovations, held top interest of village officials at Tuesday night's monthly meeting.

High in interest was a progress report by Evert Kincaid & Associates, Inc., Chicago firm retained to map long-range plans for building, zoning and various governing ordinances.

In sessions following the Kincaid report, village trustees and members of the sewer and water committees agreed to an activated sludge type disposal plant for contemplated renovation of the existing plant and system on Turner Drive.

Trustees authorized installation of a new tank on the Fire Department's Federal truck, cost not to exceed \$1,500, and authorized the department to purchase 1,000 feet of additional fire hose - 500 of 1½ inch and 500 - 2½ inch.

School Board, RR Negotiate Rail Crossing

Representatives of the Antioch High School Board of Education and board attorney Ted Larson met with Soo Line officials yesterday to discuss a pedestrian track underpass for use of the school.

The pass would connect 19 acres east of tracks to be developed by the high school as an athletic area, and existing school facilities.

School officials, long concerned about safety of students and spectators who would attend athletic events, maintain that an underpass or overpass of the tracks is necessary. They feel that an underpass would be the most feasible and economical.

The board proposes to build an addition to the present high school plant and put the 19-acre site to use as an athletic field. Increased school enrollment and use of the now-idle land makes protection necessary, accounting for stepped-up efforts to reach agreement with the railroad.

The school is currently in the process of obtaining bids for leveling of the field and movement of excess dirt from the east side of the railroad embankment. The board recently sold three acres from the north section of the site to private interests for development of the 20-acre industrial complex now being constructed for Quaker Stretcher Co.

L. Villa Pageant Scheduled Dec. 18

LAKE VILLA — The annual Christmas pageant of the Lake Villa Community Methodist Church will be held Sunday, Dec. 18, starting at 7:30 p.m.

The pageant, "Four Paths to Bethlehem," will be a dramatic presentation of the familiar Christmas story with characters in costume portrayed by children, youths and adults. Carols will be sung by the Wesley and Cherub choirs; the Rev. Gerald Robinson will narrate the story.

The pageant, open to the public, will be followed by refreshments in Fellowship Hall.

and jealous of Antioch's reputation as the first village to clear its streets of snow following a storm, trustees authorized the purchase of a new snow plow blade, cost not to exceed \$800.

Representatives of the Country-side Hospital fund drive committee was successful in petitioning village officials to allow installation of a sign promoting their cause within the village limits. The sign will be erected on a site approved by members of the building and grounds committee.

Village proceedings were enlivened by discussion of high water following rains in the North Main Street area.

All village officials, with the exception of Edmund F. Vos, were present for the proceedings, including Herman Holbek, a recent hospital patient.

Escapes Serious Injury As Car Plunges Off Road And Overturns 3 Times

Still shaken by her escape from serious injury last Friday when her car left the road and overturned three times, Mrs. Edith Hackler, Rt. 1, Antioch, was irate today over the theft of a Corona typewriter from her heavily damaged car. Left wrecked in a field as she went to seek assistance. Witnesses told Mrs. Hackler that shortly after she left the scene of the accident, a lone man drove up, sauntered over to the wrecker car and took out an object, which they assumed was the typewriter. They were unable to describe the car or the man.

Mrs. Edith Davenport Hackler, Rt. 1, Antioch, escaped serious injuries near here last Friday when her car left the road and overturned three times. She suffered slight neck injuries and bruises. Her '48 car was heavily damaged.

According to Mrs. Hackler, she was returning from Chicago, traveling west on Grass Lake Rd. west of the junction with Highway 21 at approximately 3:30 p.m., when her car left the road when a tire blew as she was rounding a curve.

The car rolled through a ditch and bounced over a fence before coming to rest in a field.

The car was virtually demolished, with all glass shattered except the pane nearest the driver's seat. Mrs. Hackler escaped possible injury from shattered glass by throwing her fur coat over her head as she felt the car leave the road.

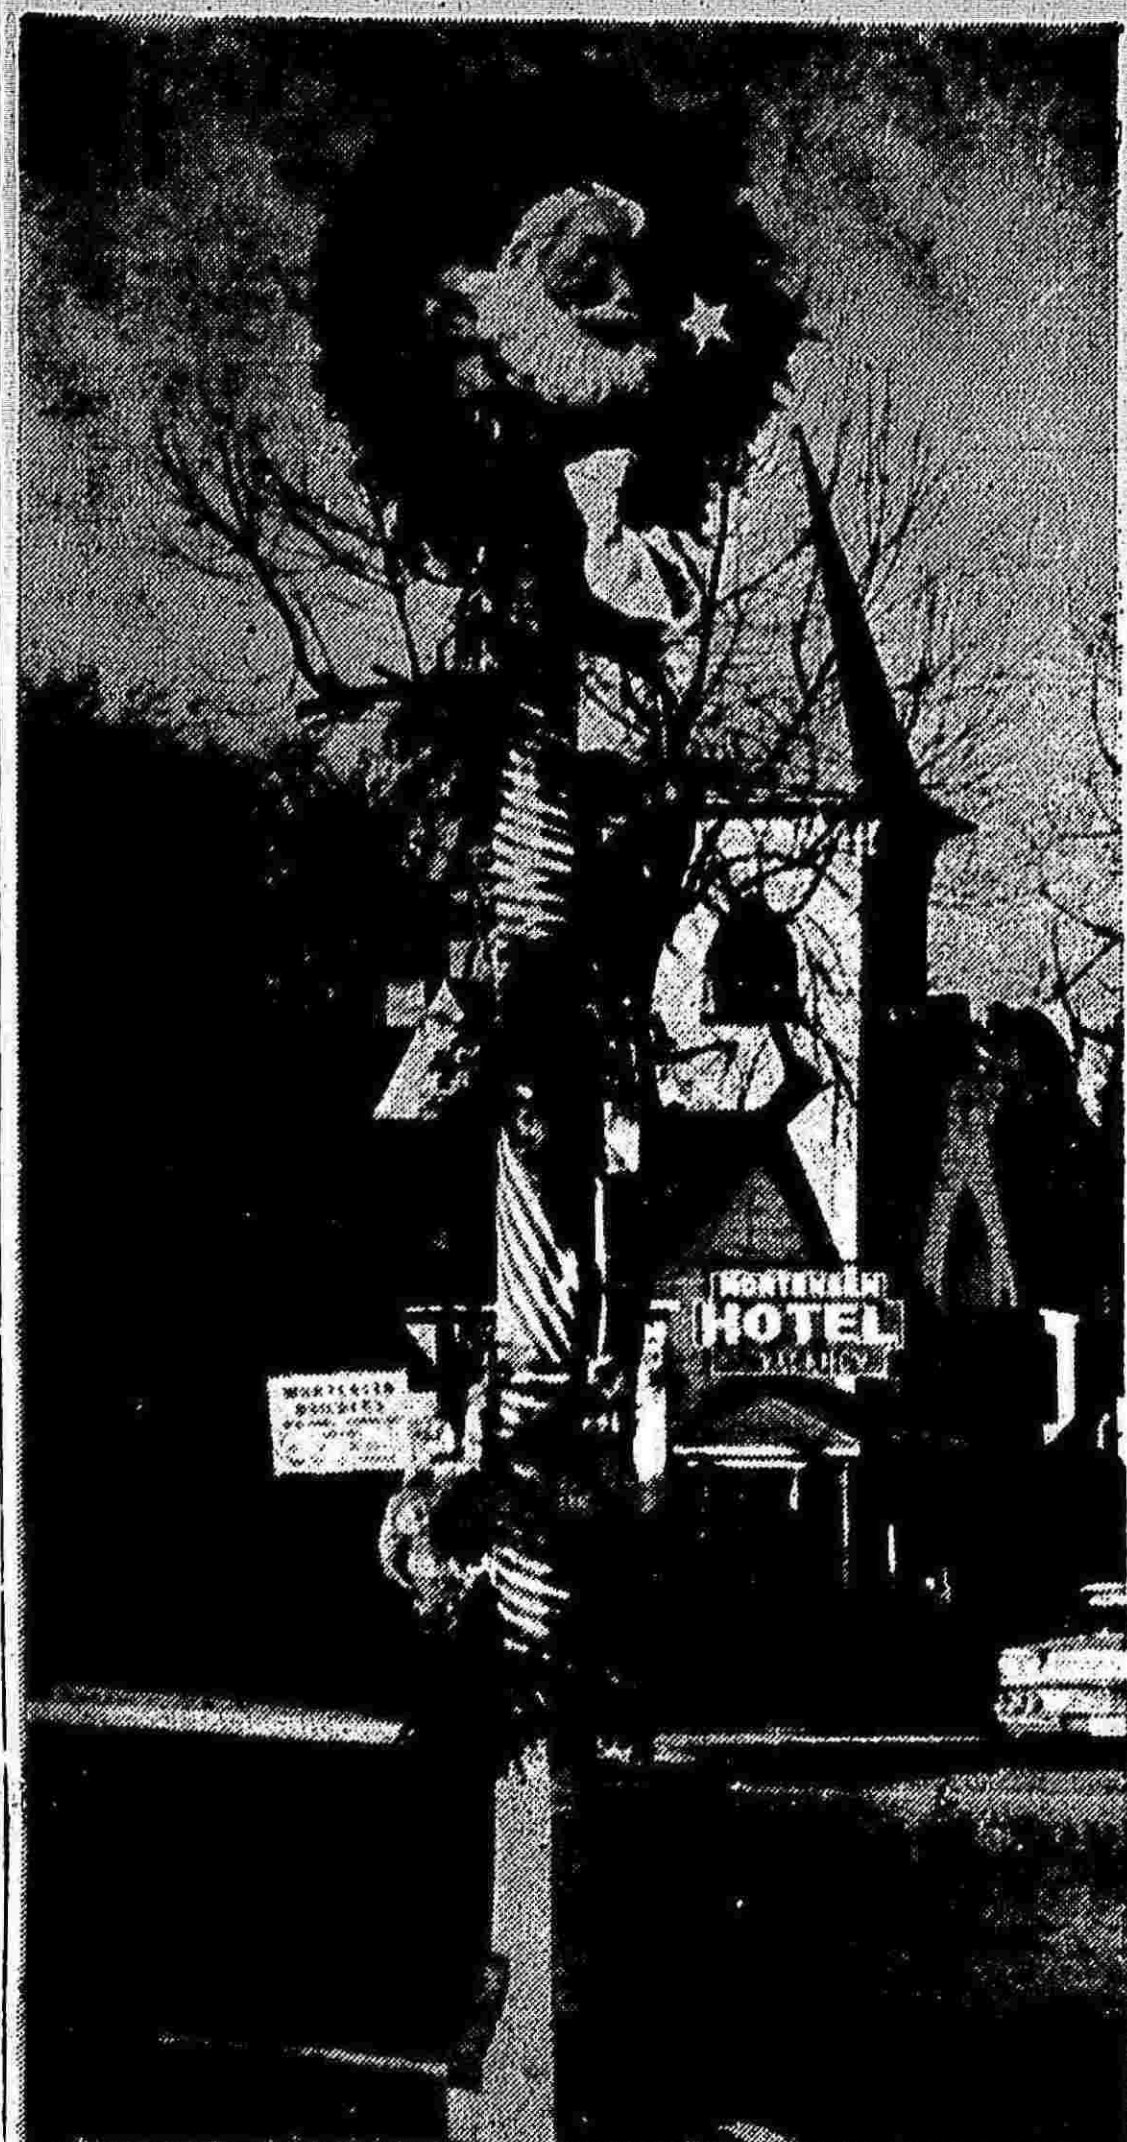

Following the accident, Mrs. Hackler hailed a passing motorist and went to Nielsen's Restaurant where she summoned assistance.

George Diamond's Gets Nod from Duncan Hines

George Diamond's Steak House near Antioch will receive national recognition in the 1961 edition of the Duncan Hines Travel Book "Adventures in Good Eating," coming out this month, according to an announcement from Roy H. Park, editor-in-chief of Duncan Hines Institute, at Ithaca, N. Y., publisher of the travel books.

The George Diamond's Steak House is one of 4,500 eating places in North America "Recommended by Duncan Hines."

"The establishments we list are truly a select group," Park said. "They represent the top two per cent, for we recommend only 9,200 out of nearly half a million eating and lodging places in North America."

New Fire Pumper Boosts Protection in Township

The Antioch Fire Department took delivery Monday of a piece of fire equipment that Chief Edgar Simonsen predicts will up the efficiency of the Department, but will eventually be reflected in lower fire insurance rates for all property owners in the district.

The new triple combination pumper underwent trials earlier this week on Lake Antioch, where volunteer firemen poured up to 750 gals. per minute through pumps in rigorous testing.

The new rig, purchased from Peter Pirsch Fire Equipment Co., Kenosha, has an International V-8 chassis, mounting a Hale pump (with 500 gal. booster tank) with 750-gals.-per-minute capacity.

Acquisition of the pumper brings total district equipment up to six pieces, consisting of four pump and ladder trucks and two jeeps. Of the equipment, the District owns the new pumper, a tank truck and a jeep, while the village owns two pumps, one jeep and equipment truck.

Chief Simonsen commended action of the District in acquiring the

new pumper, declaring it necessary from the standpoint of increased protection through more pumping capacity. In explaining the operation of the District-Village crews, Simonsen described the operation of the District-Village fire crews as a closely coordinated single operation.

Although the District has its equipment distinct from that of the Village, all are housed in the Antioch Fire Department quarters, manned by 40 members of the volunteer crews under leadership of the chief, assisted by Tod Mapletorpe, as deputy, and Vern Barnstable, as assistant chief.

An elaborate alert system allows volunteers to assemble and answer calls within minutes, according to Simonsen. Each crewman is on a radio net, monitored by an answering service. A line from the telephone office receives a fire call, which is relayed to the service, and then radioed to each fireman. Trucks have two-way radios to receive directions and calls while in the field.

Although the Fire Department has no men on call at the station, all firemen check in as to their availability. "Our current system has given us exceptionally high attendance at alarms," Chief Simonsen said.

He reported that the Township now has a population of approximately 8,700, the village approximately 2,500. Distances involved and the nature of buildings, many of the frame resort type, make it imperative that we have first class men and equipment, he said.

He indicated that no additions to personnel were contemplated, as the department was boosted from 35 to 40 members two years ago. He indicated that present crews could handle the equipment efficiently, and reported that they have handled as many as five brush fires simultaneously.

"Nightmare of the firemen is the building on fire," he said. "Two pieces of equipment are a must for

Early Site Operations Near End

Work on the Quaker Stretcher Co. plant moved along at a quickened pace this week as contractor Arnold N. May Builders, Inc., of Richmond, Ill., moved in large dirt moving equipment to establish firm underlay for structural foundations.

Two large crawler tractors trailing 25 and 20 cubic-yard capacity carry-alls inched over the 20-acre site shifting soil from the east side of the Soo railroad embankment to point of use on the site. A road grader moved on the staked out building site, leveling gravel fill so that equipment and men could work unhampered in the heavy clay.

According to contractor May, earlier site work will be completed this week if the weather holds, foundations will be excavated and poured within another week. Foundation lines are staked and ready to go.

Work is being pressed during the unseasonably mild weather, May reported, adding that at this time of the year, builders are usually bucking the vagaries of early winter freezes and thaws.

First actual work on the 20-acre site on Antioch's east side was started Nov. 8, and got underway in earnest following groundbreaking ceremonies by village officials Nov. 14. May is shooting for a July 1, 1961 completion date, when Quaker Stretcher Co. officials plan to start moving from their present location in Kenosha, a gradual process that is expected to extend well into the following spring.

The relocation of the Quaker firm in Antioch, is expected to be a big boost to the area's economy. The 28-year-old firm is a steady-growth light manufacturing concern specializing in such products as TV stands, chafing dishes and other housewares.

The firm's normal payroll ranges from 250 to 350, running well over \$500,000 annually. Sound growth has marked the company since its organization in 1934, and it has extended its marketing operations throughout this country, Canada, Hawaii and Germany. Its products are distributed through jobbers, department stores, mail order firms, chain stores and premium houses.

The firm's new Antioch headquarters will consist of a combined factory, warehouse and office complex of some 152,000 square feet with four acres of floor space under one roof. Immediately west of this will be a 25,000 square-foot structure served by a spur from the Soo line, which will also be constructed.

The main structure will be of modern design incorporating latest developments in curtain wall construction. Walls of aluminum sandwich panel will sheath a frame of structural steel. Exterior surface will present a pattern of vertical panels. Walls of the office portion will be of masonry and glass.

The remainder of the 20-acre site bounded by the Soo line, McMillen Road, and the high school property on the south, will be devoted to hardstand parking area. Future expansion plans by the firm will extend into this area.

Cubs Launch Bottle Pickup Drive Here

Cub Scout Pack 300 will institute a pop bottle pickup the third Saturday of each month as a means of augmenting operating funds.

Residents joining in the campaign are urged to place pop bottles in front of their homes where they will be picked up by 12 noon. In event bottles are not picked up by noon, a call to Clair Elliott, Antioch 1537, will remedy the situation.

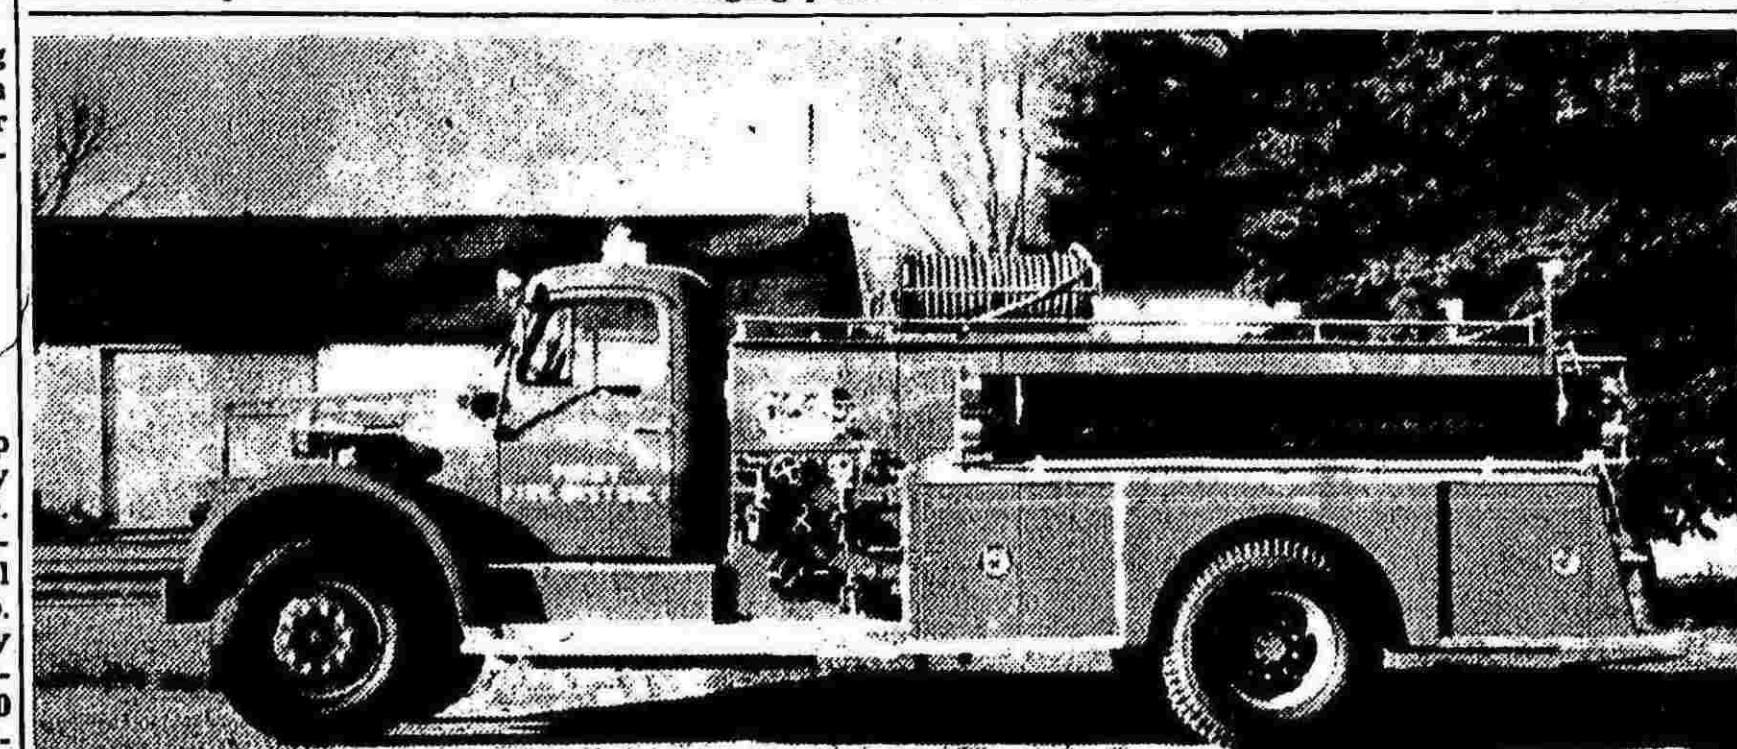

Pickup date this month is Dec. 17.

Bad News?

Report cards were issued yesterday to students of Antioch Township High School.

most any fire of this type, no matter how small. Get two or three like this going at one time and you're in trouble."

The local district is currently classified as B, but should be eligible for an A classification when kinks are ironed out, Chief Simonsen said. Class A is a higher rating achieved through more efficient equipment and a record of low fire loss, and is directly reflected in lowered fire insurance rates to all property owners, he said, of distinct interest and benefit to all residents.

ANTIOCH TOWNSHIP'S spanking new 750-gal.-per-minute pumper is latest addition to fire fighting equipment. Pumper was delivered Monday, and is undergoing testing on Lake Antioch.

DEAR READER News Editorials

A Welcome Addition

Lake County — and Antioch in particular — literally hit the jackpot with the announcement recently that Quaker Stretcher Co. will move into the area with some 300-plus employees and a modern plant estimated to cost upwards of \$2 million.

Antioch needs this boost to its economic progress, which, running at peak speed during the busy summer months, lapses to a more modest pace during winter. The addition of Quaker Stretcher to the economic community will do much to level out the hills and valleys of the economy here.

Most of the Quaker employees will probably move here with the firm from Kenosha starting next July. But, because of the commuting distances involved, it can be assumed that no small part of the 300 may eventually wind up as residents of Antioch.

This particular industry, with its continuing growth in the face of periodic recessions which have hit other industries, should prove a welcome neighbor to residents of the Antioch area, whose future is brightening.

The decision of Quaker Stretcher Co. to build here is the strongest kind of expression of faith in the future of Antioch.

We share that faith and congratulate the company on its selection.

That Festive Air

It's beginning to look like Christmas in the old home town. Shop windows are decked in holiday array, beckoning the hastening shopper inside with displays of merchandise for everyone from sprightly grandma down to the tiniest toddler.

Garlands of fir and bunting appeared on Main Street over the weekend, delayed earlier by the high winds, in time to greet Santa, who made the scene for his second jaunt into town through courtesy of the Chamber of Commerce.

Christmas carols and holiday melodies ring out in the crisp winter air, there's added hustle and bustle and slowly but surely the festive spirit is catching hold.

Yes, Christmas is coming to Antioch, and it's closer than you think.

Courthouse Notebook —

BY LOU DURKIN

The election of Justices of the Peace on a regional basis next spring will drive another nail into the coffin being built for the weakening township form of government in Lake County.

Prior to the Illinois General Assembly's action in setting up new justice of the peace districts and drafting new laws to govern the activities of the justices, they were township officers and served on the Town Board of Auditors.

Now the justices are county officers and will be replaced on the town board by three new members elected from each township at large to serve four year terms with no duties other than okaying the levy and budget prepared by the town clerk, township supervisor and assessor.

The justice of the peace and constable follow the township collector into political limbo at least as far as Lake County is concerned.

Probably the next to go will be the township road commissioner, although the township assessor is giving him a close race for this dubious distinction.

With cities like Waukegan, Zion, North Chicago, Mundelein and others pushing out their boundaries and new municipalities springing up wherever residents of an area disagree with county zoning and planning orders, the road commissioner's area of responsibility is shrinking fast.

In a few more years there will be no township roads for the road commissioner to supervise, since they will be city streets or integrated into the county highway system.

The township assessors can feel the hot breath of extinction on their necks because many of their prerogatives have been usurped by the county-appointed supervisor of assessments.

With the assessor and road commissioner replaced by county functionaries it will be a relatively easy task to do away with the township clerk because his duties will be curtailed to the point of extinction.

This leaves the supervisor who will probably hang on as a member of the county board, but may have already signed his own death warrant there with the establishment of the county finance officer post, a whistle stop on the road to a county manager form of government.

One of the most important of the supervisor's duties was administration of relief which we have learned can be handled more ineffectively and more expensively by the state and national governments, so, of course, this duty will wither away in a few more years.

The expected demise of township government will make the county more important and it behooves the county officials and the county board to start thinking and planning ahead to adapt to the new responsibilities and authority the county will be undertaking.

Now it's the county that's looking for a piece of the action and suggesting that gambling be legalized in Illinois as a cure-all for the financial ills of the county.

After all, if churches, veterans organizations, fraternal orders and other private groups can rationalize and justify their desire for bingo and other take-a-chance income schemes it should be no trick at all for politicians to justify support for legalized gambling.

The argument that off-track betting should be legalized to give the "poor little guy" a chance to lose a couple of bucks a week is, of course, as phony as the argument that pari-mutuel wagering at the track is right because it helps improve the thoroughbred breed.

It's not expected to see some politicians backing legalized gambling because surveys show that despite high taxes the American public still has a buck or two left and is willing to take a gamble on horses, bingo, slot machines, or the stock market.

The politicians just couldn't sleep nights if they didn't figure some way to cut in on this lovely source of revenue.

Jr. Keglars Continue Hot Pace in Bowling

Several youngsters continued their warm pace on bowling alleys here last week.

Barbara Casella of the Two O'clock Bantam League rolled 187-183-171 for a 541 series. This entitles her to a "500" emblem. She rolled a 220 "warm up" game.

Bob Lenezewski, a member of the Coca Cola Jr. League, rolled a hot 544 series with 205-173 and 166 games.

Rainbow Girls of Antioch Assembly Celebrate 20 Years of Service

Officers and members of the Order of the Eastern Star and Antioch Assembly, Order of Rainbow for Girls, can look back with pride on 20 years of constructive service since institution of the Assembly here on Nov. 9, 1940.

From an initial membership of 20 girls on that date, the group has grown to a present membership of 56.

Rainbow Girls are teen-agers who are part of an organization of 300,000 active and 800,000 majority, or alumnae members, all pledged to strive for the high ideals of love and service taught in the Bible. They are sponsored by members of the Ancient Free and Accepted Order of Masons and the Eastern Star.

Organization of the Antioch Assembly was instituted in September, 1940, through invitation of Samuel Pollock, who obtained sponsors, followed by election of an advisory board of: Deborah Van Patten, Lillian Gaa, John Gaa, Elsie Hays, Edith Elms, Martha Hunter, Samuel Pollock and Esther Wilton.

The Order was instituted by Mrs. Mary S. Abt and the 20 girls initiated. Line officers were Shirley Hennings, Betty Hanke, Charlotte Nash, Ruth Glenn and Gertrude Horton. Mrs. Gaa was mother advisor.

On October 27, 1942, the Assembly was constituted by Mrs. Helen Hanke of Covenant Assembly. In 1943, several members attended their first grand assembly in Chicago, and in November of the following year, the Assembly held its first official visit for the grand worthy advisor. That same month, several officers and eight members from Waukegan petitioned to form an Assembly in Waukegan.

The Assembly has continued its growth of service and leadership through the years. During the past years 217 girls have been initiated into the Antioch Assembly.

In addition to Assembly obligations, Rainbow Girls assist members of Sequoit Lodge and Antioch Chapter at dinners and other affairs, and serve as escorts at installations. During wartime they rolled Red Cross bandages and assisted in defense stamp and war bond purchases.

Activities include parties, progressive dinners, picnics, and as with most organizations, must pay their organization's way through various means such as: sponsoring movies, selling greeting cards, holding bakery-candy sales, and sponsoring dinners.

Signal honors conferred upon Assembly members in appointments include:

Appointment of Virginia Gaa as grand representative to Michigan and Jean Pagels, grand representative to Tennessee in 1947. Appointment in 1948 of Miss Gaa as grand representative to Tennessee and Miss Pagels to Massachusetts. Jane Hunter was appointed G. R. to New York in 1948; June Hunter was appointed Grand Charity in 1948; June Hunter was elected Grand Worthy Advisor in 1949; Jane Hunter, was

appointed Grand Chaplain in 1949; June Petersen, G. R. to Wisconsin, in 1950; Virginia Petersen, G. R. to North Dakota in 1951; and Sylvia Beelow, G. R. to Louisiana in 1952.

Actor Recounts Early Days in Post-War Europe

Some 75 members of the Antioch Woman's Club were treated to unusual fare at their Monday meeting, when they heard a first-hand account of the immediate post-war period in Europe.

TV and radio personality, "Continental Bob Lewandowski, recounted many of his experiences in the early '40's, including his days as a German POW and his tours throughout Europe entertaining displaced persons.

Bob entertained the meeting with songs in English, Polish, German and French, with his listeners joining in familiar songs.

Hostesses for the day were Mrs. Harry Green, chairman, and Mesdames Louis Biel, William Barkow, William Meyer, George Bacon, Richard Stroner, Robert Gaston, Harold Gaston, Lewis Patten and Jack Sampayo.

The next meeting will be a potluck lunch and cards, Jan. 16.

Homemakers Meet

The Antioch Homemakers met on Nov. 30 at the home of Mrs. Lester Osmond on Hillside Ave. Mrs. Arthur Laursen served as co-hostess with Mrs. Osmond.

After a luncheon, cards were played. There were 22 members and one guest present.

Next meeting of the Homemakers has been scheduled for Wednesday, Dec. 28, at the home of Mrs. Clarence Spiering.

Shirley Rasch, Dean Schultz Wed In Wilmet; Honeymoon in South

By Mrs. Herman Frank
WILMOT, Wis. — The marriage of Miss Shirley Rasch and Mrs. Dean Schultz was performed by the Rev. Gene S. Seely on Saturday, Nov. 26, in the Wilmet Methodist Church. The bride is the daughter of Mr. and Mrs. Elmer Rasch of Wilmet and the groom the son of Mr. and Mrs. Frank Schultz of Salem.

In the double ring service in which the bride was given in marriage by her father, she wore a gown of floor length satin, fashioned with long, tapered sleeves and scoop neckline, medallions of sequins and lace on a fitted bodice, and a bouffant skirt. A jeweled crown held her elbow length veil of French illusion, and she carried a bouquet of white carnations, pinks and greens.

Maid of honor was Miss Barbara Rasch, Miss Darlene Schultz was the bridesmaid, and Miss Doris Rasch

Sharon Gibbs and Lewis Simon Wed in Double Ring Ceremony

The Antioch Methodist Church was the scene Saturday, Nov. 26, of the wedding of Miss Sharon Anne Gibbs, daughter of Mr. and Mrs. Donald Gibbs of North Main St., to Mr. Lewis F. Simon, son of Mr. and Mrs. Lewis Simon of Oak Park.

The Rev. Wallace Anderson performed the double ring ceremony. Given in marriage by her father, the bride wore a gown of taffeta with a lace applique neck line, trimmed in iridescent sequins and pearls, a fitted bodice, and full skirt

with a chapel length train. A crown of sequins and pearls held her fingertip veil of French illusion and she carried a cascade bouquet of large, white mums.

Maid of honor for her sister was Miss Donna Gibbs, and bridesmaids were Miss Judy Simon, sister of the groom, and Miss Clara Lassen. The attendants wore light blue, ballerina length chiffon gowns and seed pearl crowns held their tiny veils. They carried colonial bouquets of tinted carnations and pompon mums.

Serving as best man was William Pearce of Oak Park and ushers were John Fox and Robert Svoboda.

A reception for 150 guests was held immediately following the ceremony at the Rustic Manor in Gurnee. Mrs. D. Wertz, grandmother of the groom, came by plane for the wedding from Clearwater, Fla.

The couple will reside at 130 W. Chicago Ave., Oak Park.

Moose Women Meet; Schedule Supper

Altar Society Holds Election, Holiday Party

Some 100 members and guests of St. Peter's Altar and Rosary Society were in attendance Monday evening for the December meeting and Christmas party.

A short business meeting, including the election of officers for 1961, was held before the party. Mrs. Rudy Eckert, chairman of the nominating committee, presented the names of Mrs. Charles Solar, for president; Mrs. Jerome Vogler, vice president; Mrs. Patricia Mauck, secretary and Mrs. Donald Gaa, treasurer. All were elected to office and will be installed at the Jan. 9 meeting of the Society.

A one-act comedy "The Culture Club" directed by Mrs. Leonard Madden, was presented, with all roles played by members of the Altar and Rosary Society.

At the conclusion of the play, Mrs. Madden, accompanied by Mrs. Arthur McGreal at the piano, led in the singing of Christmas carols. Ferdinand Wolter and Mrs. Henry Cory were featured soloists, singing "Silent Night" and "O Holy Night." Many gifts were received in the annual grab bag exchange.

December birthdays were celebrated by both members and guests, all receiving a Christmas Angel.

Mrs. Leroy Frank and members of the Study Club were hostesses for the evening. Their tea table and small tables all with lovely Christmas decorations.

House Guests

Mr. and Mrs. Elvis Erkmann of Carmi, Ill., are guests of Mr. Erkmann's sister, Mrs. H. B. Gaston, of North Main Street.

Car Care Key To Cold Weather Starting - CMC

The approach of winter weather means that many motorists again will be faced with car-starting problems.

The Chicago Motor Club points out, however, that many of these starting problems can be eliminated.

1. Don't grind your starter. Most motorists are unaware that continuous use of the starter for periods exceeding 30 to 45 seconds is detrimental to the battery. The best starting procedure is to make repeated attempts, allowing for 30 to 60 second rest periods for the battery between tries. After the car does start, warm up the motor by letting it idle for several minutes. Never race a cold motor.

2. Avoid constant pumping of the accelerator when the starter is engaged. This only results in flooding the engine, causing difficult starting and heavy battery strain. If the engine is flooded, always wait several minutes before attempting to start your car again.

3. To keep your gas line from freezing, add 8 ounces of grain alcohol or approved commercial equivalent to every other full tank of gasoline.

4. When standing in traffic, put the car in neutral and step on the accelerator to keep your battery from discharging. This is particularly important during winter months because much of a motorist's driving is done with lights, windshield wipers, defroster, radio, and heater functioning simultaneously—all combining to put a severe strain on the car battery.

Grass Lake Guests

Mr. and Mrs. Charles Engers of Chicago were recent dinner guests of Mr. and Mrs. Alex Hoffman, of Grass Lake Road.

The Engers have just returned from a three-month tour of Europe. Mr. Engers is executive chef for the Harding-Williams Restaurants.

Other guests of the Hoffmans were Mr. and Mrs. Hans Krause of Niles, Mr. and Mrs. Roy Reed, owners of Town House Hotel in Fox Lake, and Mr. and Mrs. Vincent Block and daughters, Suzanne and Madelyn, of Glenview.

All the guests were former neighbors of the Hoffmans when they lived in Chicago some years ago.

TROOP 82

We opened the meeting Tuesday, Nov. 29, in the Scout House by singing "God Bless America," followed by roll call with 29 Scouts present. Patrol reports were then given, followed by songs.

Moose Patrol received the best score for inspection, and Richard Stroner was elected quartermaster. Next on the program was a talk by Andy Hugg about Camp Thunderbird, and Jim Horton, Scoutmaster, discussed the Christmas party.

A paddle wheel for Scouts having recent birthdays was followed by closing ceremonies.

DEATH NOTICES

MARY S. DROM

Mary S. Drom, of Elwood, Ill., died Monday, Nov. 28, at Silver Cross Hospital in Joliet.

The daughter of Mabel and Lyman Farrell, she was born June 10, 1917, at Simco, Ontario, Canada.

Miss Farrell came to Antioch as an employee of Pickard China, when that factory moved to Antioch from Chicago, over 20 years ago. She lived in Antioch for some years after her marriage to Mr. Drom, and also lived in the Lake Villa area, before moving to Elwood.

She is survived by her husband, Jacob D. Drom of Elwood; one daughter, Mrs. Mary-Lou (Joseph) Foster, also of Elwood; a sister, Mrs. E. P. Rank of River Grove, and an aunt, Mrs. W. L. Smith of Tampa, Fla.

Also three sisters-in-law, Mrs. Clair Horton, Mrs. Mary Ellis, and Miss Edna Drom, of Antioch.

Services were held at the Addleman Funeral Home in Elwood Thursday, Dec. 1, with the Rev. Paul Wright officiating. Burial was in Maple Hills Cemetery of Elwood.

Youngster, 13, Enters Shriners Hospital For Fourth Operation

Billie Johnson, 13-year-old son of Mr. and Mrs. Bill Johnson of 919 David St., has entered Shriner's Hospital for Crippled Children in Chicago, to undergo surgery on both feet. This will be young Bill's fourth and last operation.

Since he must be hospitalized for two or three months, and will be in the hospital at Christmas time, his parents feel sure that Bill's friends and schoolmates will want to send cards and letters to him. The address is 2211 N. Oak Park Ave., Chicago 35, Illinois.

At Marquette U.

Ray F. Van Patten, son of Mr. and Mrs. Ray Van Patten, Channel Lake, is among the 597 students from this area attending Marquette University in Milwaukee, Wis.

Rainbow Girls To Meet; Charter Granted Harvard

The Antioch Assembly, Order of Rainbow for Girls, will meet Monday, Dec. 12, at 7:30 p.m. at the Masonic Temple, with Joan Wagner, worthy advisor, presiding.

The girls will plan the annual Christmas pot-luck supper for mothers. Sharon Langbein and her committee will serve refreshments. Girls attending Monday's meeting are requested to bring bars of soap for the ladies at the Eastern Star Home in Rockford, Ill.

Last Saturday, Mrs. Martha Hunter, Mrs. Jeanette Brown and Mrs. Wilma Gibbs accompanied Joan Wagner, Pat Brown and Dee Stillson to Harvard, Ill., to witness presentation of official charter and number to the Assembly there.

The ceremony also marked the official visit of Valerie Knox, Grand Worthy Advisor in the State of Illinois.

On Monday evening Wilma Gibbs, Mrs. Hunter, Dee Stillson and Joan Wagner attended the official visit of Grand Worthy Advisor Knox at the Blue Star Assembly in Chicago.

Channel Lake to Hold Public Dance Dec. 10

The public is invited to attend a dance, to be held in the Antioch Moose Hall on Saturday, Dec. 10, beginning at 9 p.m. The dance is sponsored by the Channel Lake Community Club.

Home Decorating Contest Planned

Antioch residents interested in decorating their homes in the holiday motif are urged to enter the Christmas Home Decorating Contest this year.

In announcing plans of the event, the Loyal Order of Moose and Women of the Moose, sponsors of the event, announced that judging will be held Dec. 27, after 6 p.m.

Homes in the village will be judged automatically. Moose officials announced. Entries living outside village limits must forward a postcard listing name and address. This information must be sent to: Robert Avery, Moose Home, 884 Main St., Antioch, or Mrs. Joseph Gutowski, Rt. 3, Box 448-E, Antioch.

The prize list announced by Moose officials will be: gold bonbon dishes for first and second winners; and a handpainted dish for third home decoration award winner. The prizes will be on display in the windows of Antioch News.

According to Louis Gutowski, Civic affairs chairman of the Moose, the judges will be appointed and announced within the week.

One of the best ways to display the Christmas spirit, says the Chicago Motor Club, is to yield the right of way. Failure to yield the right of way contributes to many traffic accidents.

A square dance will be held this Saturday beginning at 8 p.m. in the Grass Lake School.

Lindenhurst Men Nominate Slate For 1961; Yule Plans Underway

By Mrs. Bernice Bernau

LINDENHURST—At the Dec. 1
meeting of the Lindenhurst Men's
Club, Paul Wright was nominated
president; John Slove, vice presi-
dent; Barry (Bud) Klehan, sec-
retary; Tony Drago, treasurer; Mike
Fidanzo, sergeant-at-arms; Doug
Sanders, Ted Flanagan and Ted
Brendel are on the executive board.
Plans were made for the chil-
dren's Christmas party to be held
Dec. 19. The party is for the chil-
dren of the members.

Newly-elected officers of the Lin-
denhurst Daisies Senior group are:
president, Alice Bechtol; vice presi-
dent, Barbara Warchol; committee
chairman, Pat Lobrillo; recreation
chairman, Lorie Lewis; secretary,
Carolyn Westberg; reporter, Mary
Anne Smith. Linda Caldwell is the
seventh member of the group.

"Yeast breads in your meals" is
their project at the present time; a
Christmas party is planned for
Dec. 28.

Lake Villa Record will hold open
house this Sunday in its newly re-
modeled and expanded plant at 30
South Whitney Street in Grayslake.
Open house is from 3 to 5 p.m.

Mr. and Mrs. Jack Hunt and their
three children from Maywood were
Saturday guests of the Paul Hunt
family on Briar Lane. They came
out to wish their nephew Bobby,
who will be 9 on Dec. 9, a happy
birthday.

The Friday Night Pinochle Club
met at Mrs. Sybil Berbes' home on
Briar Lane. The card players are
Mesdames May Hunt, Grace Slove,
Vi Selzer, Zenia Neumann, Dorothy
Verdick, June Simecek and Marge
Campbell of Antioch.

Mr. and Mrs. Lowell (Joan) Terry
of Thornwood Drive are new resi-
dents. They are renting the Kep-
pler's home after moving Nov. 1
from Homer, Ill.

They have been married 15 1/2
years, and have four children.
Ricky, 13, plays the baritone horn in
the Lake Villa band. He also plays
the piano. Mike, 10, and Pauline, 6,
attend B. J. Hooper school. The
baby, Russell (Rusty) is 9 months
old.

Joan used to do textile painting
and enjoyed bowling when she had
the time. Lowell is a linotype op-
erator for the National Press in North
Chicago. He enjoys music and
plays the guitar and the baritone
horn.

Mr. and Mrs. Fred Garnhardt of
Monaville Road, sponsors of Hickory
Knolls Golf Course bowling team in
the Lindenhurst League, were hosts
Saturday evening to Mr. and Mrs.
Don Ringsteyer, Mr. and Mrs.
Steve Krakowski, Mr. and Mrs. Sam
Lobrillo, Mr. and Mrs. Lee Lewis
and Mr. and Mrs. George Skelton.
The men are members of the Hick-
ory Knolls team. Fred took Lee's
place on the team while he was sick.
Mr. and Mrs. Steve Romani also
were guests. Steve golfs with the
group.

They enjoyed a buffet dinner and
danced later at the Hickory Knolls
Golf Course club house.

Mrs. Mary DiSilvestro of Deer-
path road thanks her friends for
the cards and gifts sent her when
she was sick recently. She adds
special thanks to the Lake Villa
Rescue Squad who came to her aid
when she had a heart attack while
on her way to the doctor in Lake
Villa.

The Masters and Mates of the
Community Methodist Church of
Lake Villa will have their Christ-
mas meeting Dec. 17 in the church
basement. Hosts and hostesses for
the evening will be Mr. and Mrs.
Robert Bailey and Mr. and Mrs.
Robert Roland. There will be a
Christmas carol sing, and decorating
of the church.

Mrs. Bob (Dorothy) Smith of
Pinecrest Lane is hobbling around
on a badly sprained ankle.

My son Bill, 12, is marking the
days 'til Christmas. Are your chil-
dren doing the same?

The Lindenhurst Garden Club
will have a workshop Wednesday,
Dec. 14, from 9 until evening, at
the Venetian Village Civic Associa-
tion hall. Coffee will be served.
Ladies are asked to bring their own
lunch.

The club will donate six wreaths
one to the library in Lake Villa, one
to Lake Villa Consolidated school,

How to Best Choose Tree for Christmas

For the most beauty and safety in natural Christmas trees, choose a fresh tree.

According to L. B. Culver, University of Illinois extension forester, pines grown in Illinois should be most dependably fresh. Pines are easily identified by their long needles.

Other freshly cut evergreens, such as balsam fir, Douglas fir and Scotch pine, also hold up well through the holidays. Norway spruce is a tree that needs a good supply of water to prevent loss of needles before New Year's Day.

To examine a tree for freshness, shake it vigorously. If the tree is fresh, most of the needles should remain in place. Also, the needles should look and feel fresh and have a natural green color.

Culver points out that evergreens in large lots may be graded. Lower grade trees at slightly lower prices are less symmetrical, and one side may be flat. If you are selecting a tree for a corner or next to the wall you might be able to use one in a lower grade. You can turn the flat side to the wall and hide it.

Culver also recommends that you check the base of the tree before buying. To stay fresh at home, the tree should stand in a container of water. The base should therefore be reasonably straight; otherwise the tree may lean.

day, and were dinner guests of Mr. and Mrs. Kenneth Hoffman.

Richard Bauman, Woodstock, Ill., spent Saturday with Mr. and Mrs. George Higgins.

Mrs. Gust Neuman was a Monday visitor of Mr. and Mrs. Tom Garvin at Libertyville.

Mrs. Viola Sherman is a patient at Burlington Memorial hospital.

Mr. and Mrs. Leonard Heinz, Aurora, Ill., and Mrs. Ann Rodenkirch, McHenry, Ill., were Sunday visitors of Mr. and Mrs. Gerald Tindall.

Mr. and Mrs. Leslie VanNatta, Kenosha, spent Sunday with Mrs. R. C. Shotliff.

Gerald Tindall, and Robert Federmeier spent Saturday with Mr. and Mrs. Hubert Federmeier, Decatur, Ill., and were joined on their return by Mr. and Mrs. John Federmeier, who spent several months there.

Judy Rasch, Bonnie Horton and Janet Schmalfeldt entertained 25 friends and relatives Sunday at the Methodist church basement at a miscellaneous shower in honor of Barbara Paddock.

Mr. and Mrs. Herman Frank, and Madeline Friedhoff called on Mrs. Dorothy Hallen, Kenosha, Saturday afternoon.

Life-Long Resident Of Antioch Area Dies

By Mrs. Pearl Kapell

CHANNEL LAKE—Pearl McKinney, 53, a lifelong resident of the Antioch area and many years a resident of Channel Lake, was found dead in her home by her son, James, last Wednesday. Mrs. McKinney's husband, Michael, was a patient at St. Therese Hospital, suffering from a stroke, at the time of her death, and Mrs. McKinney was home alone. When she failed to answer her telephone, a neighbor, Mrs. Harry Weiss, called Mrs. McKinney's son, James, and he came over to investigate, finding his mother dead.

Mrs. McKinney was born Oct. 23, 1907 in Antioch Township, and was married to Mike S. McKinney in 1927.

She was a member of the St. Ignatius Episcopal Church and active in the work of the Women's Guild of that church. She taught Sunday school for several years.

She is survived by her husband, Michael; two sons, James, of Round Lake, and John, of Paddock Lake; five brothers, Elmer and Earl Monnier of Lake Villa; Ralph in the army in Germany, and Raymond and Roy of Milwaukee. Two sisters, Mrs. Carrie Blackson of Crown Point, Indiana, and Mrs. Dorothy Pinch of City Point, Wis.; her father, Edward Monnier of Milwaukee, and two grandchildren.

Funeral services were conducted Friday by the Rev. Edmond Hood and burial was in Liberty cemetery.

Sequoia Cagers Drop Two Over Weekend

Lake Forest Takes League Opener 50-37; N. Chicago Romps to Easy 79-38 Win

Antioch Sequoia came to end of a victory skein that had seen them cop 13 wins against 1 loss in conference play last year, as the Scouts of Lake Forest High gave them the short end of the stick Friday, 50-37.

The conference opener was a prelude to even darker things the following night, when fast-stepping North Chicago walloped the Sequoia, 79-38, in Antioch's second non-conference outing of the season.

In Friday's mauling, Lake Forest's Scouts jumped to a scant 13-10 first quarter lead, and then found their stride in outscoring the Sequoia 20-13 over the second and third quarters.

Scoring and all-around play of Les Herbst was one of the few bright spots in the conference opener, as the smooth-working forward dumped in 7 field goals and 6 free throws to lead total scoring with 20. Lance Keisler worked a fine floor game for Antioch and Dudley Sheehan cinched a starting berth with his skill both on offense and defense.

Stress on cage fundamentals will take top spot in Antioch practice sessions this week, as lack of varsity experience was evident in Friday night's loss. Neither team hit the bucket with regularity, and Lake Forest took the Sequoia by virtue of its rebound ability, where it out-classed Antioch with a total of 31 rebounds to 21.

Lake Forest hit from the field 23 times in 62 attempts, for a 37 per cent and popped 4 free throws out of 7 for a passable 57 per cent. Antioch's sharpshooting was more modest, as the 8 Sequoia hit but 13 times from the field in 46 tries for 28 per cent and did little better from the free-throw line, making 11 of 19 for a 57 per cent.

Wishinsky, Roderwald and Erdahl led Lake Forest scoring with 14, 13 and 10 points respectively.

North Chicago's highly-touted quintet put the double whammy on Antioch's Sequoia Saturday night by smothering the visitors 79-38, in Antioch's second non-conference outing of the season.

Jumping off to a quick 16-0 lead in the first quarter, North Chicago put a hood over the hoop in holding the Sequoia to 2 points during the opening frame. The Sequoia found the range more to their liking in remaining quarters, sinking 10, 10 and 18 points respectively. But North Chicago kept banging away to extend its lead with quarter scores of 18 each in the second and third and a whopping 27 in the final period.

North Chicago's squad was strong from the floor, sinking 28 baskets in 66 tries for an impressive 42.4 per cent, and scoring 23 of 35 free throws for 65 per cent. The Sequoia had little luck from the floor, sinking but 10 of 44 attempts for 22.7 per cent, and 18 of 32 free throws, for 56 per cent.

The luckless Sequoia were out-classed under the boards, with North Chicago grabbing off 44 rebounds to the locals' 18.

Les Herbst played his usual all-around strong game for Antioch, scoring a total of 12 points on 2 baskets and 8 free throws, followed by Pogose with 3 goals and 2 free tosses and Sheehan with 1 basket and 5 charities.

High for North Chicago was 6'2" Long, with 7 baskets and 3 charities, followed closely by Liskey, with 3 and 7 for 13, and Greathouse, with 6 baskets for 12.

70-42 Loss Ends Scout's Win Streak

Antioch's semi-pro Scouts ran out their string of 16 straight league wins at Round Lake Sunday when Wauconda gave them a 70-42 thumping to drop the Scouts into a first place tie with Wauconda and Richmond in Land O' Lakes cage play.

The Scouts' loss capped one of the bleakest basketball weekends in Antioch in years, as the Sequoia varsity fell before Lake Forest Friday, 50-37, North Chicago, Saturday, 79-38, and the sophs took their lumps from the same two schools.

Sunday's score was the lowest for the Scouts since the league was started. They managed but 7 field goals the first half and trailed Wauconda's Towne Club 33-15. Playing against a zone defense, usually right up their alley, the Scouts couldn't hit and were out-rebounded. Smejkal's 8 points during the first half led Scout efforts.

The pattern was set and the second half was no different with Pregenzer, held to one point in the first, breaking loose for 10 in the second.

In play Nov. 29, the Antioch Scouts beat Genoa City 95-82 in a non-league tilt there. The Scouts jumped to a scant 39-37 half time lead, and laid on a 56-point barrage in the last two quarters. Sid Parker and Al Reckers paced the Scouts with 27 and 25 points respectively, followed by Gallagher 17, Christensen 15, Risberg 9, and Cardiff 2.

ANTIOCH'S Bob Krieger makes futile attempt to block basket by Lake Forest player Friday night, as the Sequoia opened Northwest Suburban Conference play there. Antioch's varsity went down 50-37 before Lake Foresters.

Educators Mull Possible Conference Realignments

BARRINGTON—Superintendents of the northwest suburban area met here recently to consider changing problems of conference alignment, Dr. Harold L. Richards, Superintendent of Blue Island Community High School, announced. Members of the Little Seven, North Suburban, Northwestern Suburban and Tri-County Conferences were present.

Changing sizes of schools, planned second schools, homogeneity and distance make necessary reviews of conference affiliation. Schools, which a few years ago were similar in size, may be greatly different today. Districts which have expanded into second schools need to find appropriate competitive conferences for the second school.

This meeting was exploratory only, Dr. Richards reported. The meeting was called by the Alignment Committee of the Association of Suburban Conferences with Dr. George W. Brown, Superintendent, Riverside-Brookfield High School, presiding. Supt. A. E. Wright, Barrington High School was host.

Similar meetings have been held in the western and southern suburbs. They have resulted in the formation of the "Interim League" joining the Suburban and West Suburban Conferences, and a new conference (unnamed yet) in the southern area. Dr. Richards, president of the Association of Suburban Conferences, indicates that the study of conference alignments and problems is a major function of the Association. This organization has been in existence and under the presidency of Dr. Richards since 1949.

Grant Downs Waukegan in League Tilt

Wauconda's Bulldogs ran up against a tight defensive set-up in their first Northwest Suburban Conference outing last Friday, and dropped a low-scoring 48-37 decision to Grant High at Ingleside.

In a close, hard-fought battle, the Bulldogs were held to 39 attempts from the floor, sinking 12 for a 32 percentage, while winning Grant fared but slightly better with 49 shots of which 18 dropped for a 37 percentage.

Grant jumped off to an 11-8 first-quarter lead, only to see fighting Wauconda even it up 19-all at half-time. The visiting Bulldogs stayed close during the third quarter, trailing by a 30-25 margin going down the stretch.

Key performers for Grant were Denny Haerle, who paced the winners with 17 points and worked a fine defensive game, and Bill Leonard, who held high-scoring Gary LeLito to 12 points.

Grant's win placed them in a 4-way tie for conference honors with Lake Forest, Ela-Vernon and Warren, who successfully opened their seasons Friday.

Warren Powerhouse Rolls Past Grayslake 71-44

Warren's Blue Devils laid a heavy hand on Grayslake last Friday in the inaugural league game for both squads with a 71-44 rout over the Rams.

If the Blue Devils' performance is any criterion, Mike Galgan's squad could well prove to be the powerhouse of the conference.

What lay ahead for Grayslake wasn't apparent in the first half, when Warren worked smoothly to a 33-27 half-time lead. From then on, however, it was a different story, with the Blue Devils pouring on the coal in a full-court press that held the Rams to but 3 field goals during the two final periods. Long on defense during the second half, Warren wasted no offensive opportunities, dumping in 38 points to 17 for the Rams.

Warren was fairly accurate from the floor, averaging 41 per cent of shots taken, while Grayslake, posting a 48 per cent basket effort in the first half and tumbled to a lowly 13 per cent the second by sinking but 3 of 23.

Bill Williams with 20, and Bill Mueke with 16 were the big guns for Warren, followed by Stan Flood and Larry Beshel with 12 and 11, respectively. Lou Pape and Don Hawkins paced the losers with 9 each.

Panthers Upset Whippets 54-52 At Whitewater

Wilmot's underdog Panthers forgot to heed the dopesters in downing Whitewater's highly-touted Whippets 54-52, in a thriller last Friday to take over a top spot in the Southern Lakes Conference.

Wilmot jumped off to an early lead on the Whippets' court and held on all the way. Leading as high as 10-12 points during the contest, the Panthers fought off a tight press within closing minutes when Whitewater shaved Wilmot's lead to two points with but a minute to play. A brace of free throws by Ray Cates gave the Panthers a 54-50 lead, which was closed to 54-52 in the final seconds.

Wilmot pulled a clever stall, which was broken up in time for the Whippets to flip one desperate shot before the gun ended the upset.

Leading Wilmot efforts was Glen Rasch, hot on offense with 20 points, and strong defensively in holding high-scoring Kincaid to a scant 8 points.

Falcons Make It 3 Straight At Union Grove

Salem Central's smooth-working Falcon eagles made it three wins in a row racking up their second conference victory Friday in downing Union Grove, 70-56, on the loser's court.

The Falcons pulled away with a hot second quarter to take the lead from Union Grove 35-29, after the home team had jumped off to a 16-13 lead in the first quarter. The teams worked evenly during the third frame, with the Falcons hitting in final minutes to outscore Union Grove 19-11 in the fourth quarter.

Coach Dorm Grams, pleased by his team's hustle, praised the work of his subs and credited team effort for his squad's third win in four outings.

Top Falcon scores were Dan Yates with 16, Gene Schulz and John Zeihen, 11 each, Jim Hofer 10, and Tom Straulin 9. The defensive work of Jim Westman, George Whittle and Tom Straulin, curbed close basket work of Union Grove and forced them to shoot from the outside.

State License Plates Now Available

Over-the-counter sale of 1961 Illinois motor vehicle license plates began Thursday, Dec. 1, at the Automobile Division office in the Centennial building in Springfield, Secretary of State Charles F. Carpenter announced last week.

Mailing of the 1961 plates was started the same day, Sec. Carpenter said. During the early weeks of the licensing period, plates will be mailed in numerical order. This procedure is necessary because of

the limited space available to store plates.

Consequently, motorists who applied during October for reassignment of high numbers will not receive them until those numbers are reached in the numerical sequence, Sec. Carpenter said.

Chicken Pox and Parties Enliven Pre-Yule Days for Channel Lakers

By Mrs. Pearl Kapell
CHANNEL LAKE — Life's little complications that brighten (?) the holiday season: the four children of Lois and Glenn Dowell are all confined to quarters with chickenpox. So far, the baby has escaped the disease.

...
The December meeting of the P.T.A., formerly scheduled for Dec. 21, will be held Dec. 14. The program will have a holiday theme, and will be put on by children of the upper grades of Channel Lake school.

...
The Community Club will meet at the school on Tuesday, Dec. 13, at 8 p.m. The program will be put on by the Brownies of Troop 74.

"Chip" Eberman, home for Thanksgiving from the Maritime Academy in New York, returned to his studies on Monday, Nov. 28.

Mrs. Jackie Zerr, Channel Lake Bluffs, is a patient at Zion Memorial Hospital.

REEVES DRUG

901 Main

Antioch

Bluffs, is at home convalescing after her recent illness in McHenry Hospital.

Members of the Happy Eight Club met at the home of Mrs. Robert Hess on Thursday, Dec. 1. Present were Mrs. Harry Weiss, Mrs. Clarence Spiering, Mrs. Ogot Hennig, Mrs. William Frey, Mrs. Marie Sima, Mrs. Theresa Kranz and a guest, Mrs. Lois Liess. Mrs. Liess took the place of Mrs. Julia Schmitt, of Felter's Subdivision, who is in Florida.

There was a good attendance at the demonstration party given by the Auxiliary of Troop 88 at the school on Friday night.

Mr. and Mrs. Robert Palm are the parents of a daughter, Roberta Marie, born Tuesday, Nov. 29, in St. Therese Hospital. Roberta weighed six pounds twelve ounces at birth, and, according to her grandmother, Mrs. Henry Palm, was quite the most beautiful baby in the St. Therese nursery. If any proud parent or grandparent wishes to argue this point, please don't contact me — I'm neutral. The parents, Robert and Mary Palm, are proprietors of Bob's Outboard Sales on Route 173.

Carol Gundelach, daughter of Mr. and Mrs. George Gundelach of Lake Catherine, and Lorraine Gibbons, daughter of Mr. and Mrs. Clarence Gibbons of Felter's Subdivision, left Dec. 7 to spend two weeks in Florida. The girls will stay at the home of Carol's grandparents, Mr. and Mrs. Victor Gundelach, in St. Petersburg.

Mr. and Mrs. Harry Weiss returned home on Nov. 29 from a 12-day visit with their son, Harry, Jr., and his family, in Hartford, Conn. The Weiss' drove to Connecticut for Thanksgiving, and during their trip viewed the Christmas decorations in Boston and New York.

Mrs. Ann Bartley recently returned from a two-weeks stay in Kansas City, Mo., at the home of her daughter, Mrs. James Bain (Beverly). Mr. and Mrs. Bain became the parents of a little boy, James George II, on Nov. 11. James weighed nine pounds eight ounces at birth. The Bains, who lived at Channel Lake for some time, also have two daughters, Heidi and Heather. Ann flew by jet to Kansas City from Chicago, making the trip in a little over an hour. Her only criticism of traveling by jet — you get there so quickly you don't feel you've made a trip.

Ladies of the Birthday club of Felter's Subdivision enjoyed a dinner at the Charcol House on Thursday, Dec. 1. A few members of the club were unable to attend the dinner, among them Mrs. Mary Moore, who was ill. Those who attended were Marge Ohlgren, Kate Christophersen, Ido Lokke, Lillian Lenske Evelyn Purdy, "Grandma" (Madeleine) Tulp, Ruth Gibbons, Anita Hamelberg, Phyllis Kaplschke, Marian Kleven, and Betty Hendrickson.

Road-Bound Farm Rigs Must Fly Red Flag

Operators and owners of farm equipment and tractors have been warned by Chief William H. Morris, Illinois State Highway Police, that they are subject to arrest if they fail to display a red warning flag on the equipment when driving on state highways.

Numerous complaints of this violation have been received from motorists, Morris said. "This violation creates a traffic hazard when a car suddenly comes up behind such slow moving equipment which does not carry a flag," he explained.

The law provides that "when any implement of husbandry or road tractor is operated on a state high-

Toll-Free Calling
To Lake Villa
Starts
December 10

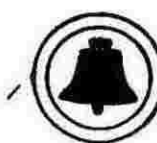

In a continuing effort to bring you the very best in modern telephone service, Illinois Bell will introduce new Extended Area Service on December 10. Your local (toll-free) calling area will be enlarged to include LAKE VILLA. Monthly rates will be adjusted to take into account the larger local calling area. These are special features of your new extended area service:

- **Save** - call Lake Villa as often as you wish. Your calls to this area will become "local calls" and the present toll charge will be eliminated.
- **Modern** - built around the needs of today's suburban living.
- **Easy** - to call Lake Villa, just call the operator and give her the phone number you wish to call. She will complete the call for you.

We're sure you'll enjoy your new enlarged toll-free telephone service. Should you have any questions, please call your Service Representative at Antioch 9981.

Philharmonic Group to Give Concert Dec. 10

As the highlight of its second concert of the current season, the Waukegan Philharmonic Society will present a combined orchestra and chorus arrangement of Brahms' "Song of Destiny," at 8:15 p.m. Saturday, Dec. 10, in the auditorium of Waukegan Township High School West Campus, 2425 Brookside.

The forty-member mixed chorus lists as its presentations "Deep River," "Make a Joyful Noise Unto the Lord," "Incline Thine Ear," "The Godly Stranger," and the "Cherubim Song" by Gretchaninoff. The chorus is directed by Mr. John Zaumeyer, North Chicago.

"Sinfonia Piccola," a symphony by the young Sibelius student, Suolanti, is to be performed by the orchestra. The work is edited by Thor Johnson, of the Northwestern University music department. Other works to be played are Beethoven's "Egmont Overture" and a "Fantasia on the Alleluia Hymn," by Gordon Jacob. Mr. Fallor directs the orchestra.

The Philharmonic Society, now in its 25th year, is comprised of musicians and singers from the Waukegan and Lake County area, some of whom have been with the organization since its beginning.

Musical director of the group is Richard Fallor, Lake Bluff.

Pedestrian Is Fair Game, Records Show

Number of fatalities due to reported motor vehicle-with-pedestrian traffic accidents in Lake County last year amounted to 7, or 9.7 per cent of a total of 72 traffic deaths.

Figures compiled by the Lake County Safety Commission indicate 9 pedestrian fatalities or 17.3 per cent of the 52 traffic deaths during January-October of this year.

In October four such pedestrians were killed of nine traffic deaths for the month, far above the 20 per cent rate of pedestrian deaths to total traffic fatalities reported by the State of Illinois.

Dubas Family Are Newcomers In Lindenhurst

By Mrs. Bernice Bernau
LINDENHURST — The Chester Dubas family of Buena Park subdivision in Lake Villa, have been on a busy cycle this past month. Dubas opened his Ben Franklin store in Antioch recently. He received so many floral pieces, that he thought it would be nice for other people to enjoy them, too. He gave some to the sisters at Prince of Peace school in Lake Villa and some to the sisters at St. Peter's school in Antioch.

Early in November, Mr. and Mrs. Dubas and their son, Bradley, who attends Antioch high school, went by plane to Collegeville, Minn., to attend Parents' Day at St. John's Prep School. Their son, Gregory, is a senior there. He plays end on the football team, and recently received his letter. The program was "Teen-age Communication between you and your child" and "Getting ready for College."

Gregory came home for the Thanksgiving holidays in time to celebrate his sister Cindy's third birthday, Nov. 22. Randy, 10½ is the other child.

Sympathy is extended to Michael Rotchford of Buena Road, on the loss of his mother, Mrs. Hannah Rotchford of Chicago. Mr. Rotchford is president of the Buena Park Association.

A cordial welcome is extended to Mr. and Mrs. Claude (Marie) Anderson who recently moved into their new bi-level home on Hazelwood Dr. They previously lived near Milwaukee ave. and Irving Park in Chicago. The young couple have been married four years and have two little boys, Frank, 2½, and Gary, 1 year.

Claude works for the Sloane Tile Co. in Chicago and is in the Lindenhurst Men's Bowling league, bowling for the Eagle Realtors. Recently he bowled a 225 game, so he isn't doing the team any harm.

Marie crochets in her spare time, enjoys reading and develops and prints her own snapshots. She has joined a Po-Keeno Club.

Mrs. George Sutherland of Hickory Drive was hostess to the "Gadabouts" Wednesday evening, Nov. 30. Playing Po-Keeno were Bernice Bernau, Sandy Drago, Phyllis Kleban, Pearl LaBarbera, Helen Mindak and Mel Uebele.

The Women's Auxiliary to the Lindenhurst Men's Club will have a Christmas party at their meeting

Seeks to Divide 13th Into Two New Divisions

Formation of a committee for the purpose of seeking reapportionment of the 13th Congressional District into two Congressional Districts has been announced by Lawrence A. Kusek, Democratic candidate for congressman from the 13th District in the 1958 elections.

In announcing formation of the committee, Kusek pointed out that the present population of this district is 900,000 people as compared to a 420,000 average in the State of Illinois when districts are reapportioned by the coming State Legislature. A reapportionment of the existing Thirteenth district, Kusek maintains, would bring this area breakdown in line with other districts.

According to Kusek, logical division based on distribution of population in the 13th Congressional District would be to form one district from Lake County and New Trier and Evanston Townships, and another district from the remaining 10½ townships. Remaining townships are Niles, Maine, Leyden, one-half of Norridge Park, Northfield, Wheeling, Elk Grove, Schaumburg, Palatine, Barrington and Hanover. Kusek urged those interested in this project to contact him at 1602 Talcott Rd., Park Ridge, Ill.

tonight. Husbands are invited to attend with their wives. A pot-luck supper will be served after a short business meeting, when the 1961 officers will be nominated. There will be a parcel post sale. (Some time ago, all members sent a letter to a friend out of town asking them to please send an item that they could sell for 50c)

For this meeting members will meet at the Venetian Village Civic Association, hall, at 8 p. m. Mrs. Floyd Stanley, president, will be in charge.

Mrs. George (Helen) Skelton of Fairfield Road attended the Flower Show at McCormick Place, Tuesday, Nov. 29, with 44 other members and guests of the Grayslake Garden Club. The ladies chartered a bus and spent the day there getting new ideas.

Mrs. John Halvey of Hazelwood

An insurance company custom of the 1800's was that of identifying the homes they insured with metal Fire Marks. Volunteer fire brigades knew, for instance, that the Hartford would reward them for saving any home bearing the Company's mark.

Today, Fire Marks are only collectors' items but the name Hartford still stands for prompt help when trouble strikes. Whether you need insurance for family, home, car, business, farm... let us tell you more about quality Hartford protection and service.
